---

Thank you for your continued support of Mitsubishi programmable controllers, MELSEC-A series.

Production of the MELSEC-A series models will be discontinued as follows.

**1. Models to be discontinued**

Refer to the page 2.

**2. Schedule**

Order acceptance: Through March 2003

**3. Reasons for discontinuing production**

The demand for the relevant models has been substantially reduced, and some parts are now obsolete. Therefore, we will have difficulty to maintain the production system.

**4. Repair acceptance**

Repair acceptance: Through April, 2010 (For 7 years after production discontinuation)
