Thank you for your continued support of Mitsubishi MELSEC-A Series.

Production of the following MELSEC-A Series models will be discontinued.

## 1. Models to be discontinued

| Product name                                  | Model         |
|---|---------------|
| Memory card/centronics interface module       | AD59, AD59-S1 |
| Memory card interface module                  | AD59MEF       |
| Memory card                                   | AD59MEM       |
| Memory card interface module connection cable | AC20MC        |

## 2. Production discontinuation

Made-to-order : From the end of April, 2005

Order acceptance : Through May, 2005

Production discontinuation : Through June, 2005

## 3. Reasons for discontinuing production

The demand for these models has been substantially reduced, and some parts are now obsolete. Therefore, we will have difficulty to maintain the production system.

## 4. Repair acceptance period

Repair acceptance: Through June, 2012 (For 7 years after production discontinuation)
